# Renault KOLEOS

Whatever your quest

## Take a Seat.

Every detail of the interior has been carefully considered with clean lines and superior finishes.

Satin chrome finishes across the dash and throughout the cabin look, and feel fantastic. With total cabin climate control, and engage the rich, acoustic experience delivered via the BOSE® premium sound system\*. 12 Speakers, including subwoofer and digital amplifier\* deliver an experience similar to being in the middle of a concert hall performance.

\*available on Signature type only

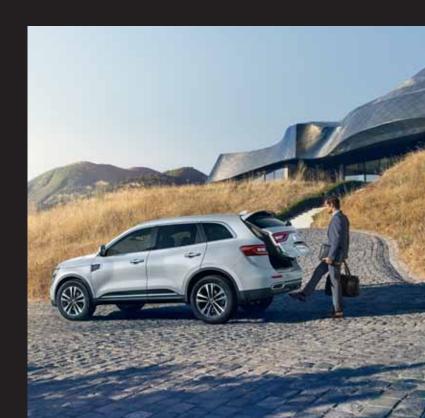

# Automatic Open & Close Tailgate\*

Freedom of movement. There is no need to take the key out of your pocket or bag; simply press the button on the door handle to unlock your Koleos.

To open the boot, either use your remote key card or place your foot underneath the rear bumper. Sensors will open the motorised tailgate\* automatically, revealing 458 litres of luggage space in seconds.

### Automatic Self Parking\*

The parking assistance system measures the parking space with its sensors (whether parallel, perpendicular, or angled) and defines the parking trajectory. Then it takes over the wheel and steers itself while the driver controls the speed and braking.

## R-LINK 2 - Navigation and Multimedia system

It's a 'capacitive' touchscreen, which means it's easy to use. Simply drag, pinch, or swipe to navigate the same way you would on a tablet or smart phone. After all, good technology makes life simpler, not more complicated.

Renault Koleos allows you to design your personal home screen and creating the interior ambience to match your mood.

# Panoramic Sunroof\*

The electric panoramic sunroof, with a motorised sun blind, extends over the rear seats. To reduce wind noise it opens underneath the cabin roo
